

# Future Plans for our Temple First Youth & Community Activities Building

## *YOUTH*

Temple First Youth will have the ability to host students Sunday mornings, Sunday nights and Wednesday nights. There are already plans for the coming school year for movie nights, game nights and cookouts that the building would accommodate.

## *KIDS*

Our Easter egg hunt and Trunk or Treat are two of our biggest outreaches each year. This will comfortably accommodate those events rain or shine. VBS is a time the entire community looks forward to. The building will be used for recreation by dozens of kids of all ages.

## *SUNDAY SCHOOL*

Each class will have access to the building's space and facilities for socials and gatherings. It will also be beneficial for combining Sunday School classes during special events etc.

## *WORSHIP*

Sean and Katie are looking forward to hosting our Worship Night Concerts. The building would accommodate more seating as well as a larger band for different worship night concert styles.

## *COMMUNITY OUTREACH*

Temple First has always been known to host our church family and community for holiday meals and gatherings. The updated air conditioned and heated building will accommodate more friends, family and visitors.

## *HEALTH & WELLNESS*

We will offer weekly stretch and exercise classes. Classes will be for all ages including, but not limited to, senior stretch, chair yoga, aerobics and kids' classes on Saturdays and Summer months.

## *WEDDINGS*

For larger weddings, our building will accommodate more people than the sanctuary will seat. If the wedding is held in the sanctuary, but more space is requested for the reception or rehearsal dinner, our building would accommodate so that the wedding party does not have to seek out a secondary location.

## *SHOWERS*

We have a growing church, thank goodness! Baby showers, wedding showers and housewarming showers are common. Our building would give the option of inviting more family and friends to these celebrations than the space our current fellowship hall allows.

## *STEWARDSHIP*

The building was built for and entrusted to us, Temple First Baptist, to be a place to care for our church and community. As we approach Fall of 2023 and begin a new school year with one another, we all understand the urgency of taking care of the place we have to provide the best for the people we love. Our Youth & Community Activities Building is a beautiful opportunity to 'go and prepare a place,' just as The Lord does for us. (John 14:3)

Thank you all for your prayers and support in every way of this project!

*"For we are co-workers in God's service; you are God's field, God's building." 1 Corinthians 3:9*
